

isae::ASensor

```
classDiagram
    class isae_IMU["isae::IMU"]
    class isae_ASensor["isae::ASensor"]
    isae_IMU --|> isae_ASensor
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'isae::IMU'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white box labeled 'isae::ASensor' positioned above it. This indicates that 'isae::IMU' inherits from 'isae::ASensor'.
