

```
std::enable_shared  
_from_this< ALandmark >
```

```
graph BT; A[isa::Edgelet3D] --> B[isa::ALandmark]; B --> C[std::enable_shared_from_this< ALandmark >];
```

A vertical inheritance diagram with three boxes. The bottom box is gray and contains 'isa::Edgelet3D'. A blue arrow points up from it to a white box containing 'isa::ALandmark'. Another blue arrow points up from that box to a white box containing 'std::enable_shared_from_this< ALandmark >'. The top box has a thin gray border.

isa::ALandmark

isa::Edgelet3D
